

THE HARLEY GROUP

DEVELOPING EMERGING LEADERS

How much more quickly could your company achieve its goals if all of your employees were engaged, rowing in the same direction, and passionate about winning? How far ahead of your competition could you stay?

You invest considerable resources to recruit and train the right employees. Engaging and retaining this hard-found talent is essential to producing results and staying competitive.

Engage The Harley Group to assist you with understanding employee engagement in your firm, and learn how corporate culture, rewards and recognition programs, staff development and other fundamental management processes can be improved to drive a dramatic shift in results.

The Harley Group helps companies to:

- Get the best from key talent.
- Stop the revolving door of employee turnover.
- Deliver tough messages in a way that employees can hear them and take action.
- Create an environment in which people want to win.

Managers and Leaders learn to:

- Set expectations for strong performance.
- Manage and coach for results.
- Retain talent for long term contribution.
- Create a culture of commitment and loyalty.

Emerging leaders learn to:

- Manage their professional brand and careers.
- Identify and eliminate obstacles.
- Work well with people throughout the organization.
- Meet the organization's needs and make measurable contributions.
- Further enhance their skill sets and careers.
